- Expenses incurred in connection with voluntary medical termination of pregnancy during the first 12 weeks from the date of conception are not covered.

Note : Do inform your HR within 15 days of baby's birth to include in the Insurance policies

1. Cashless Process

Cashless means the Administrator may authorize upon a Policyholder's request for direct settlement of eligible services and it's according charges between a Network Hospital and the Administrator. In such case the Administrator will directly settle all eligible amounts with the Network Hospital and the Insured Person may not have to pay any deposits at the commencement of the treatment or bills after the end of treatment to the extent as these services are covered under the Policy.

TPA for this policy : Family Health Plan Insurance TPA

Patients seeking treatment under cashless hospitalization are eligible to make claims under pre and post hospitalization expenses. For all such expenses the bills and other required documents needs to submitted separately as part of the claims reimbursement.

Hospitals in the network (please refer to the website for the updated list)

For Updated List visit to TPA link as below:

www.fhpl.net

Mention Insurance company name as Liberty General Insurance and search to see the network list

Cashless Process : Emergency Hospitalization

COTIVITI

 MercerMarsh
Benefits

Cashless Process : Planned Hospitalization

COTIVITI

 MercerMarsh
Benefits

Step1: Pre-Authorization

All non-emergency hospitalization instances must be pre-authorized with the TPA, as per the procedure detailed below. This is done to ensure that the best healthcare possible, is obtained, and the patient/associate is not inconvenienced when taking admission into a Network Hospital.

Member intimates TPA of the planned hospitalization in a specified pre-authorization format at-least 48 hours in advance

Claim Registered by the TPA on same day

TPA authorizes cashless as per SLA for planned hospitalization to the hospital

Follow non cashless process

Pre-Authorization Completed

Step2: Admission, Treatment & discharge

After your hospitalization has been pre-authorized, you need to secure admission to a hospital. A letter of credit will be issued by TPA to the hospital. Kindly present your ID card at the Hospital admission desk. The associate is not required to pay the hospitalization bill in case of a network hospital. The bill will be sent directly to, and settled by TPA

Member produces ID card at the network hospital and gets admitted

Member gets treated and discharged after paying all non entitled benefits like refreshments, etc.

Hospital sends complete set of claims documents for processing to TPA

Please Note: At the time of discharge when the Administrator receives the final bill, they try to renegotiate with the Hospital for a better price. Hence it may take some time for TPA to revert back with final approval. This exercise checks the hospital to overcharge you and helps keep your sum insured utilization optimized for any future exigencies. Please be patient.

Claims Processing & Settlement by TPA & Insurer

 MercerMarsh
Benefits

Non Cashless Process : Reimbursement Claims

Reimbursement Document Checklist

- ✓ Completed Claim form with Signature
- ✓ Hospital bills in original (with bill no; signed and stamped by the hospital) with all charges itemized and the original receipts
- ✓ Discharge Report/Certificate/card (original)
- ✓ Attending doctors' bills and receipts and certificate regarding diagnosis (if separate from hospital bill)

Why Top-Up?

Advantages of Top-Up

Operational assets

Optimal utilization of benefits

Contact details

Voluntary Top-Up

Advantages of Getting a Top-Up Policy

1

Coverage is identical to main medical policy & employee can choose the said sum insured as per his/her needs

2

The main medical plan and the top up plan can be claimed together for the same hospitalization

3

Employee gets a tax benefit on the premium paid towards the top-up plan.

Why Top-Up?

Advantages of Top-Up

Operational assets

Optimal utilization of benefits

Contact details

Benefits

- The sum insured is INR 2L, INR 3L, INR 4L, INR 5L, INR 8L, INR 10L, INR 12L and INR 15L.
- Top up sum insured will trigger when base sum insured gets exhausted.
- The top up plan is placed with the same insurer and TPA who underwrites the Group Medical Policy for operational efficiency
- Nomination for top up policy is done once a year & not in between the policy period except for the new joiners
- The top up sum insured could be utilized for hospitalization, **except for Maternity & Capped ailments**

Annual per Family Premium including GST			
Top up Floater Sum insured	Per family	Top up Floater Sum insured	Per family
200000	INR 21,238	800000	INR 33,165
300000	INR 23,591	1000000	INR 37,143
400000	INR 26,217	1200000	INR 61,759
500000	INR 28,840	1500000	INR 75,216

Note:

- Post the declaration window closes, no request for enrollment shall be entertained..
- The new joiners can declare their dependents for the voluntary program within 15 days from their date of joining.

Why Top-Up?

Optimal Utilization of Benefit

- Health Insurance is a benefit for the employee and their dependents. One has to utilize the benefit with utmost caution and prudence
- The ever-increasing cost for the benefits require a proactive involvement from all of us
- The following steps are recommended, ensuring the benefits is prudently utilized by the employee and dependents

Please ensure to crosscheck the final bill sent to the TPA for the following:

- You are Billed only for the services utilized for e.g. category of room, diagnostics undergone, medicines consumed
- Total of the bill
- In case of any planned hospitalization, approach the hospital in advance (48 hrs.) and request pre-authorization this enables TPA to further negotiate the rates
- To approach hospitals with caution - most expensive is not necessarily the best
- To cross check the tariff with the Bench Mark Rates provided - the benchmark rates would give an idea
- The general spend for the treatment or procedure
- Try to negotiate
- Ask WHY & WHAT is billed to you (as a consumer, we have the right to know)
